**MEDALLOCATORS, INC. ANNOUNCES
THE FORMATION OF THE
PHYSICIAN ADVISORY PANEL**

Lawrenceville, Georgia – **MEDALLOCATORS, INC.** the nation’s largest privately owned MSP Compliance Company focused on Workers’ Compensation and Liability claims markets, is proud to announce the formation of the **PHYSICIAN ADVISORY PANEL**. This unique panel of physician specialists is working with MedAllocators to strategically address complex cases and MSA treatment plan concerns. This highly qualified panel has joined MedAllocators to provide leadership and guidance to the resolution unit and case managers resulting in expedited forward case movement.

These specialists provide oversight of Complex Claim intervention. They are available to assist, direct, identify treatment changes and facilitate peer interaction with attending physicians. The goal of the program is to utilize top experts in their field to resolve complex or challenging cases using unique specialties, pharmaceutical intervention, drug utilizations, Medicare Part D reviews, Catastrophic Injury consultation, and drug dependency consultation.

Panel specialties include pharmaceutical, addiction, occupational medicine, pain management, neurology, burns and physiatry. These esteemed specialists bring a depth of knowledge to MedAllocators’ case management professionals. This panel allows MedAllocators to focus on the best interests of our customers while preserving the integrity of the most outstanding medical outcomes possible.

At MedAllocators we are focused on utilizing the most experienced and dedicated professionals in the industry to deliver an exceptional compliance solution. MedAllocators innovative solutions are a leading differentiator in the Medicare Set-Aside arena and are specifically tailored to lower MSA allocations and proven to meet and exceed expectations. With the addition of the Physician Advisory Panel, MedAllocators will continually develop cutting edge compliance solutions.
